New York, July 15.—To-day's short market was so narrow and so nearly stagnant that movements of prices were of little significance. There was a perceptible tone of firmness, however, which was emphasized after the appearance of the bank statement by the hasty covering of some small bear contracts in the Grangers, which had been put out just previous to the appearance of the statement. Probably the greater part of the day's business was given over to the closing out of short contracts by the bears. This conting eithed that stock the most active on the list and moved it up to 2 points from the opening decline. Sugar was largely bought and rose at one time this over last night. People's Gas recovered sharply from yesterday's prices. Oregon Navigation preferred advanced 1½ on the list and moved it up to 2 points from the opening decline. over a point. Manhattan and the Southwestern railways were also inclined to strengthen.

The bank statement was up to expectation in the item of ioan contractions and the consequent reduction in deposit liabilities. It was unexpectedly favorable in the showing of a gain in cash, considering the payment of \$2,-500,000 to the sub-treasury on customs payments during the week. The local money market worked still lower today, but demand sterling advanced a significant fraction and London discounts were also harder. Sterling exchange at Continental centres also rose sharply, lending point to the note of alarm sounded by the weekly English financial publications over the immediate future of the London money market.

The bond market was moderately active and rather irregular, the Southwestern railroad issues moving up in sympathy with the strength of the stocks.

U. S. 2's and old 4's registered have declined 4c. in the bid price.

The total sales of stocks were 126,500 shares.

A FUNERAL.

Perhaps the largest funeral service in the town for some time was that of Captain Joseph Hefley yesterday afternoon at St. Thomas' P. E. Church. The solemn service was conducted by Rev. H. S. Lancaster, the rector, and fine music was rendered by the choir. Wrapped about the castet was a large American flag, and there were many beautiful floral tributes.

The Norfolk and Southern shops, with which Mr. Hefley had been connected for a number of years, were closed to give the men an opportunity to attend the service. Tidewater Council, No. 30, Jr. O. U. A. M., of which the deceased was a member, and Thomas Jefferson Council, No. 109, turned out. The funeral service of this order was read at the grave, in Magnolia cemetry, by Mr. W. H. L. Garlett.

The following gentlemen acted as pall-bearers: Robert W. Barrett, T. C. Humphries, Jr., Captain J. S. Whittworth, George A. Simmons, Edward Street, Hon. John Whetstone, George M. Cooper and J. W. Browne.

SEVERE ELECTRICAL STORM.

Yesterday between 1 and 2 o'clock the severest electrical storm of the season passed over this section, and no little excitement was caused in the town. A residence on Tenth street, occupied by Mrs. Mattie Bianchard and family, known as the Covil place, was struck by lightning, splitting the weather-boarding and stripping the shingles for about eight feet square from the roof. The damages were about \$50. Mr. Blanchard, son and daughter were stunned and made quite sick from the shock. A house, corner Chesapeake avenue and Eleventh street, occupied by negroes, was also struck and ten feet of weather-boarding stripped off.

The Inmates were stunned for several minutes. An English poplar, standing about six feet from the building, was struck and split to pieces.

The residence of Mr. Theodore Newberry, on Liberty street extended, was struck and split to pieces.

The residence of Mr. Theodore Newberry, on Liberty street extended, was struck and the building slightly damaged, and Mrs. F. P. Martell, who was in the front room with her infant in her arms, was shocked. The child was not hurt.
